NORTHERN PACIFIC RAILROAD COMPANY

Rocky Mountain Division. Auditor's No. [illegible] Superintendent's No. 351

Missoula, Montana, June 25, 1896.

To Mr. C. W. Dickinson,

General Manager.

I respectfully recommend the improvement described below, and request special appropriation to cover cost of same:

1. *Location* (with regard to nearest Station) Arlee Near head block 48 Miles of M. D.
2. *Title.* (Side Tracks and Spurs to be named) Re-arrangement of yard.
3. *Description.* (Give description of proposed New Work. If Building or Spur, make Sketch below showing Points of Compass, Grades and Curves, etc. If necessary, use Supplementary Sheet, and give Plan No.)

See sketch attached.

4. *New Work, Additions or Repairs* Re-arrangement.
5. *Necessity for proposed Work:* (If increase of Business, give particulars) For avoidance main line switches; discontinuance of molasses tracks, and obtaining a yard convenient for requirements.
6. *Is Improvement on Right of way or Land owned by this Company.* On right of way.
   If not, what can be done to secure title. Part of present T and stock yards are not on R. of W. This change brings all improvements onto right of way.
7. *Estimate of Cost: Material* (as detailed on next page) [illegible] Labor [illegible] Total [illegible]
8. *Work should be commenced* concurrently with [illegible] as lay of new steel to save putting some seven unnecessary switches in main track.
9. *Length of Time required to complete Work* Three or four weeks.
10. *Remarks.* (Note here if any Material or Labor is to be furnished by outside parties, and whether such Credit is done by Contract or with Company force.)

See letter of even date, also detailed estimate attached hereto.

Capitalized value (saved) of cost per year of maintaining track and switches dispensed with is $2559.76.

Approved.
