Title **Purchase one No. 5 portable pneumatic wood boring machine and for car repair track.**

Reason: **We have at Glendive one No. 3 Little Giant wood boring machine**

for use on car repair tracks. In order to handle the work of repairing freight cars to advantage, avoiding delay of men waiting for tools it is necessary to provide an additional machine capable of handling heavier work in connection with the heavy repairs now being given our freight cars. It is estimated that a saving of \$200.00 per year will result by providing this machine.
