The location is on this company's property. To secure rights, it will be necessary

Location: Blossburg, Montana.

Title and Reason: Estimated cost proposed 6 H. P. motor car engine for use of section men.

Requisition GSK No. 9737 has been passed covering one 6 HP Fairmont Engine for equipping sections. This motor was built according to proposed standard drawing put out by the motor car committee. Section 5 at Blossburg is a hill and tunnel section consisting of 6.7 miles of track. A 4 HP motor has been tried out on this section and found to be not strong enough for the heavy grades, therefore, it is necessary that the above motor car be furnished at this point. This is in accordance with correspondence originating in the office of the General Manager.

Work has been looked over upon the ground by Division Superintendent and District Engineer and it is their joint recommendation that same be approved.

President's Office

Work to be done by company force under charge of Division Superintendent.

Accounting to concentrate in the office of Superintendent, Missoula.
